# ABOUT

rodiumART is a dynamic entity involved in the spheres of Art and Design. Our aim is to elevate Indian Art and Architecture into a brand new paradigm. Founded as a result of the combined efforts of Deepak Chheda and Mehul Nisar, rodiumART wants to revolutionize the Indian Art and Design space by striving to achieve a perfect balance of artistic innovation and structural aesthetics.

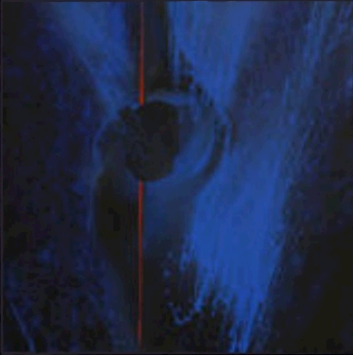

Our gallery space is an open forum for not only artwork in the visual medium, but also installations, poetry readings, and other creative and innovative media. rodiumART endeavors to tap into the Artists' inherent abilities and unleash their hidden potential to take them to new heights.
